ORDER

LEWIS A. KAPLAN, *District Judge*.

Jurisdiction in this tort case is invoked on the basis of alleged diversity of citizenship. The Court twice notified plaintiffs that the jurisdictional allegations were insufficient for two reasons – the failure to allege the citizenship of one or more of the plaintiffs and the failure sufficiently to allege the citizenship of the limited liability company. They twice were warned that the action would be dismissed for lack of subject matter jurisdiction unless an amended complaint curing these deficiencies was timely filed.

Plaintiffs filed an amended complaint. That pleading cured the first but not the second noted deficiencies.

Accordingly, this action is dismissed for lack of subject matter jurisdiction.

SO ORDERED.
